## The Awakening Christian Series

A life-altering encounter with God in 2015 challenged Sallie Dawkins' entire belief system. Rapid transformation followed as the foundations of her faith aligned with scripture. She believes that cultivating a deeper relationship with God was the key to victory over decades-long chronic pain. It was this experience that launched her into ministry as a Christian healing evangelist and motivated her to write the 3-part Awakening Christian Series.

This series is a valuable tool for guiding believers into a more meaningful relationship with God and answers questions Christians can't, don't, or won't ask in church. If we don't know or believe that God is who He says He is, how will we ever know or receive the fullness of His love for us? And if we cannot love ourselves and who we are in Christ, how will we love others as they deserve to be loved?

The lessons Sallie shares about her journey of spiritual growth can benefit every born-again Christian. This series is suitable for individuals and small groups. Readers will find valuable resources and application questions at the end of each chapter. Sallie Dawkins will show you how God brought healing to her own life, and how He can do it for you, too!
